

FUNDING FOR SPECIAL AREA – WIDE CONFERENCES AND AWARD BANQUETS

The Board of Education recognizes the importance of attendance by staff and student award recipients at conferences and award banquets given by organizations other than the District. The Board, however, feels that discretion needs to be used in the amount of funds expended in pursuit of this activity. The District, therefore, provides the following guidelines regarding these activities:

1. The District will provide a maximum of \$20.00 toward each dinner (including taxes and gratuities). Any amount above the \$20.00 will be the responsibility of the diner.
2. Only the staff member(s), student(s), coach(es) attending and/or honored at this activity will be eligible for #1 of this policy.
3. Any spouses, parents, or guests of the staff member(s), student(s), coach(es) will be responsible for their own costs.
