### Principal’s Message

With the February break behind us and the long month of March ahead, I want to take a moment to reconnect with all of you. March can often feel like a marathon in the school year - there are fewer breaks, the winter still holds on, and both students and staff can feel the weight of the academic push. It’s during this stretch that our community’s strength, resilience, and support matter most.

I’d like to ask each of you to make it a point to connect with your child(ren)’s teacher(s) in the coming weeks. Whether it’s through a quick email, a phone call, or stopping by during a parent-teacher conference, your partnership is invaluable. Open communication between home and school is one of the most effective ways we can ensure your child’s success. It allows us to celebrate their achievements, address challenges early, and align our support systems to meet their needs.

Additionally, I want to hear from you about how we can make SSCS the safest, most welcoming, and most inspiring place for your children. Your insights and perspectives are vital as we strive to continuously improve our school environment. Whether it’s ideas about safety protocols, suggestions for enhancing our school culture, or feedback on how we can better inspire and encourage our students, I welcome it all. Please don’t hesitate to reach out to me directly ([tyorke@sharonsprings.org](mailto:tyorke@sharonsprings.org) or 518 284 2266). Together, we can ensure that SSCS remains a place where every student feels valued, supported, and motivated to reach their full potential.

Thank you for your continued partnership and for being such an important part of our school community. Let’s make this March a month of growth, connection, and progress.
