Principal’s Message

Dear Students and Families,

As we approach the mailing of third-quarter report cards this Friday, April 11, we reflect on the progress our students have made this year and look forward to finishing strong. We trust that families will review these reports together, celebrating successes and setting meaningful goals as we enter the final quarter of the school year.

With spring break ahead, we encourage all students to spend some refreshing time outdoors, reconnecting with nature and engaging in activities that promote physical and emotional wellness. This break is an excellent opportunity to establish or reinforce healthy habits that support both academic success and personal growth.

Let’s come back from our break recharged, refocused, and ready to make this last quarter our best yet. We believe in your potential and are excited to see what you can achieve!

Reminder:

- **Unused Snow Day- Monday, April 21, 2025**

The Third Annual Kayla S. Black memorial Easter egg hunt will be held April 19th at the Sharon Springs Central School at 2pm. (Sponsored by KNK Landscaping) There will be approximately 10k eggs again this year that will be scattered across the fields. Some of those eggs will contain a voucher for prizes such as bikes, soccer ball's, basketballs, scooters, big chocolate bunnies, plush peeps who knows what else. We do have Easter baskets for the first 150 kids to collect their eggs in. Also Dani the face painter from last year will be there again this year arriving at 1pm to start painting your children's faces before the hunt starts. She will be bringing a friend who will be doing glitter tattoos as well. Last but not least the Easter Bunny will be there along with Mr. PEEP TO CHEER THE KIDS ON. Let's make this day fun for all the kids and make some lasting memories.

KINDERGARTEN REGISTRATION

This year's registration and screenings will be held on **Tuesday May 27th and Wednesday May 28th 2025** in the Sharon Springs Central School Auditorium.

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year. An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September. Any child who has his/her 6th birthday on July 1st or after must be enrolled in school.

Even if you are undecided at this time about enrolling your child, if you have a child who will be 5 years old on or before December 1st, 2025, please contact:
