Principal's Message

Today, April 4th, marks the end of our third academic quarter. Report cards will be mailed home next Friday, April 11th. This milestone offers an excellent opportunity to reflect, refocus on personal goals, and renew commitments to finishing the school year strong.

As the days grow warmer, let's use the nicer weather as motivation to adopt healthy routines and practice positive habits. Fresh air and sunshine can boost both our energy and our spirits, helping us stay focused and productive.

Thank you all for your continued hard work and dedication. Let's make this final quarter our best yet!

Reminder:

• Unused Snow Day- Monday, April 21, 2025

New York State regulations state that a child may enter Kindergarten if the child attains the age of five years on or before December 1st of that school year. An amendment to New York State Compulsory Education Law, signed by the commissioner in June, 1992, clarifies that children who turn six during the school year must attend school at the start of classes in September. Any child who has his/her 6th birthday on July 1st or after must be enrolled in school.

Even if you are undecided at this time about enrolling your child, if you have a child who will be 5 years old on or before December 1st, 2025, please contact:
